Kamuning Bible Christian Fellowship

Building Project Update- Embracing God's Purpose and Plan

[Kamuning, Quezon City | 25 July 2023] - With unwavering faith and the firm belief that God has a purpose and plan for KBCF, we want the Core of Leaders to know that despite facing certain delays, our Church Building Project will indeed proceed. While the timeline remains indefinite, we want to assure you and the members of our congregation that we are committed to its realization, guided by God's divine guidance.

Throughout the years, there have been several dedicated efforts to pursue and commence the construction of our new building facility, but has been delayed due to unavoidable circumstances. As stewards of God's resources, the funds generously donated by our faithful members and supportive community are still intact and reserved solely for this sacred endeavor.

In times of uncertainty, we find solace in the knowledge that every step of this project is under the watchful eye of the Almighty. As we reconstitute the Steering Team led by our Head Pastor, the Church Council and some expert advisers, we humbly seek divine wisdom and understanding, knowing that it is through His guidance that we can make the right decisions and achieve our goals.

The journey of constructing this sacred space is not merely a physical endeavor; it is a spiritual one as well. We acknowledge that God's hand is at work, shaping this project to fulfill His greater purpose for our congregation and the community we serve. Through prayer and reflection, we will diligently revisit and refine the existing plans, seeking to align them with God's vision for our church, and the resources He will provide. We trust that He will inspire every committee member and volunteer to make decisions that resonate with the values of love, family, and service that define KBCF.

As we move forward, we invite the COL and the congregation to join us in prayer, seeking God's blessing and guidance throughout this process. Together, let us embrace His plan, knowing that in His perfect timing, this building will be a testament to His grace and an instrument of spiritual growth for all who step through its doors.

We extend our heartfelt gratitude to all those who sacrificially gave and devotedly contributes to the project thus far. Your dedication and faithfulness are a testament to the strength of our church family. Thank you for bearing with us as we move forward on this journey of faith and progress, hand in hand with God's divine purpose.

In Christ,

Ptr. Ronel Rubrica
KBCF Head Pastor

Third Fermin
KBCF Council Chairman

Glorify God. Fulfill the Great Commission.
