WELCOME

When was the last time you experienced being spiritually exhausted and spiritually empowered?
Describe the feeling.

WORD

READ: Ephesians 1:15-23

As God's people, we are guaranteed to experience God's immense power in our lives.
How can we do that?

1. Request the illumination from God v.15-18

*Give you the Spirit of wisdom and of revelation
in the knowledge of Him*

They will receive revelation of spiritual truths

Eyes of your hearts enlightened

Holy Spirit opens the eyes and hearts to be
flooded with divine light

Have spiritual illumination and perception
To know God better
Not abstract knowledge of God

Know God personally and intimately
Intimate awareness of God's character & will

Know and experience God's
Hope to which He calls us
The riches He possesses in us
The power He extends toward us

2. Realize the nature of God's power v.19

Dunamis- power as in dynamite
Energia- working as in energy
Kratos- power that overcomes resistance
Ischus- inherent strength

Transcendent
Immeasurable
More than sufficient greatness
Dynamic power

God's power is:
Divine
Inexhaustible
Irresistible
Available

We have sufficient power to:
Meet temptations
Overcome sinful habits
Live and witness for Christ

3. Reckon the manifestation of God's power v.20-23

a. Resurrection

Demonstration of God's omnipotence
Putting forth energetically His infinite power
Decisive demonstration of divine power

Resurrection power is available to us

Attestation of God's acceptance of Christ's
sacrifice
Pattern and pledge of believer's resurrection

Man is mortal; he cannot avoid death
Man is fallen; he cannot overcome evil

But God in Christ has conquered both
God can rescue us from both

b. Exaltation

Ascension and exaltation of Christ
God's right hand is the place of
Honor
Privilege
Power

Far above all
rule
power
authority
dominion

Primacy of Christ above all angelic and celestial
beings

Above every name
In this age
In the one to come

CONCLUSION:

Let us seek to know Him and the power of His resurrection (Phil 3:10)
